- I was born in 1948 in St. Louis, Missouri. I grew up in a Christian environment of the reformed persuasion but never took my instruction seriously. Consequently, my salvation occurred much later in life.
- My wife and I met in an English exposition class at the University of Missouri in 1968 and married in 1969 just before starting our Senior year.
- We both began our teaching careers in the Mehlville School District in 1970.
- After our second child was born, Bellvia stayed home with the children and after 1 additional year of teaching, I pursued a higher paying job.
- I eventually returned to teaching for five more years at Oakville Senior High School in the same district but left again.
- After a failed self-employed business attempt, I took a position as sales representative for a wholesale distributor of tire supplies and am currently in my eighteenth year of employment there.
- I was saved by the grace of God through faith in the person and work of our Lord Jesus Christ 10 days short of my 52nd birthday. A few years later, I decided to take a couple of classes at Brookes to supplement my growth in the grace and knowledge of the Lord. Over 30 hrs. later, I enrolled at Bethany.
- I have been serving in the capacity of adjunct instructor and substitute since the fall of 2007.
