

WELCOME TO THE BROOKES BIBLE INSTITUTE

STARTING YOUR PROGRAM

1. All programs can be started at the beginning of each semester.
2. Please read this catalog thoroughly and call the school for questions to be answered (314-773-0083).
3. Fill out the "Request for Admission" form.
4. Send in the "Request for Admission" form and call the school to arrange an appointment with an advisor. An appointment is not required for satellite students.
5. Read "Program Requirements" and know which program you are going to seek to complete.
6. Map out with the advisor what program requirements are to be achieved for that semester. It is very helpful to have all transcripts sent to the school before the appointment with the advisor.

Registration for classes is then permitted.
