

*Catherine Brown:*

I have gotten the wood burning stove that we prayed for. Now I just need to get it installed for a cost that won't be too high that we can't afford.

*Ron/Louella Davis:*

In the last 4-6 weeks, they have had three deaths in the family; Louella's sister in February went to be with the Lord, Ron's nephew is in heaven; this month Louella's brother-in-law, from a different sister, died. Pray for strength for the families during this time.

The fire house where Ron donates time is going to vote if Ron can have a service on Sunday afternoons. Pray the vote will be overwhelmingly affirmative.
